a. Directors Search Update

a. Records Retention Policy

A policy must be developed as to how we are retaining the minutes. A hard (paper) copy must be stored forever. Trustee Kastran will call the city to find out how they store their minutes and maybe we can come up with a plan.

b. Hearing Update

Still no new information on this. The attorney will keep the board informed.

11. Comments from the Board: There is a concern about the outside stairs up to library level from the lower parking lot. They are being looked into.
